## Our Company:

Founded in the year 2000, AvidXchange transforms the way companies pay their bills. Trusted by more than 5,500 clients throughout North America, AvidXchange is the industry leader in automating invoice and payment processes.

## Our Products:

AvidXchange offers a complete solution designed to elevate the role of finance and help mid-market businesses modernize their accounts payable processes with applications for invoice, payment, billing and purchase orders. These products allow AP departments and CFOs to accelerate approvals, reduce processing costs, and virtually eliminate paper with more transparency into, and control over, spending than they've ever had before.

## Our Awards:

AvidXchange was recognized as a global fintech unicorn by both Business Insider and CB Insights, the top software company in North Carolina by the North Carolina Technology Association, as one of the 50 fastest-growing private companies in the Charlotte area for six consecutive years, ranked among Deloitte's Fast 500 for the fourth year in a row, and was named the top 100 technology companies in North America by Red Herring.
