## Accelerate Revenue Growth

### Monetize Invoice Processing

Extract, enrich, and validate invoice data with 99.2% accuracy using our AI agents—directly within your platform.\*

### Earn ePayment Revenue

Earn rebate revenue on ePayment transactions made on your platform through the only “ready to pay” supplier network with ACH and virtual card capabilities.

### Leave ePayment Conversion to Us

Our dedicated monetization team drives results—achieving over 40% ePayment conversion and 30% supplier enrollment.\*

### Retention Through Complete AP

Embed the full invoice-to-pay process in your platform to boost customer lifetime value.

## Collaborate with Trusted Experts

**20+ Years of AP Expertise:** Harness machine learning trained on decades of B2B invoice data.

**Developer-Friendly APIs:** Build and scale fast with comprehensive documentation backed by 500+ R&D experts.

**Trusted at Scale:** We process 70M+ payments and \$300B+ in spend annually.

**Licensed Nationwide:** AvidXchange is a licensed money transmitter in all required states.

“Our goal is to be the AP source of record for our customers. Deepening our integration with AvidPay is how we think we can get there.”

Kate McClenathen  
Sr. Product Manager, AppFolio

## Create Frictionless Experiences

### ✓ Always-On Reliability:

99.9% uptime ensures seamless, uninterrupted processing.

### ✓ Advanced Fraud Protection:

Multi-layer security actively monitors and prevents fraud.

### ✓ Rigorous Compliance:

We meet strict regulatory standards to minimize your risk.

## More Than AP Automation: The AvidXchange Difference

### Monetize More, Effortlessly

Unlock new revenue through payment monetization and improved buyer efficiency with seamless invoice processing.

### Scale with Confidence

Gain a competitive edge with scalable, API-driven infrastructure designed for flexibility and growth.

### Boost Retention

Deliver AI-powered invoice automation and integrated payments for a secure, seamless user experience.

### Deliver Protection

Reduce fraud risk with layered security and compliance aligned to industry best practices.

### Get Hands-On Support

Rely on dedicated teams for onboarding, data quality, ePayment conversion, compliance, and co-selling programs.

### Upgrade Your Customer Experience

Enable self-activation within your solutions, eliminating cumbersome processes from sales to service.

## AvidXchange Accounts Payable as a Service: The Future of Invoice and Payments for ERPs

Optimize your accounts payable strategy and unlock new revenue opportunities with AvidXchange. Our fully embedded solution is designed to help ERPs deliver enhanced value, efficiency, and security to their customers.

\* Source: AvidXchange internal data. 99.2% data extraction accuracy based on a Q1 2024 internal QA audit across multiple invoice formats. 40%+ ePayment conversion demonstrated in an April 2024 case study.

AvidXchange is a leading provider of accounts payable ("AP") automation software and payment solutions for middle market businesses and their suppliers.
